*Lawyers know when to play by the rules...and when to break them.*

*Legally Bound*, Book 1

Harvard law professor Jack Archer once balanced his professional life with the private world of dominance, surrender and trust he shared with his wife. Since cancer stole her a year ago, finding love again—her final wish for him—is the furthest thing from his mind.

From his empty house to the classroom, grief follows his every move. Until he meets a young woman with shadows in her eyes even darker than his own.

Once a shining star at law school, Lilly Sterling's dreams died when the Dom she trusted left her heartbroken and lost. She's starting fresh in a new city as a paralegal, but meeting Jack reawakens all her old demons—and her lingering desires.

Jack offers to become Lilly's mentor for both the courtroom and the playroom, but tells himself it's not a relationship. Their carefully worded agreement guarantees that. But when their trial agreement starts heating up, both Jack and Lilly must decide what will tip the scales: the letter of the law...or love?

*Warning: All rise for a book that contains a wounded submissive and a Dominant who wants to retrain her while retaining control of his heart. Discovery phase may involve spankings, bondage, edging, and blindfolds. Is it hot? You be the judge.*
