Quasi Noir (Italian Edition) Federico Montuschi

Hinterland milanese, giorni nostri.

Le linee di vita di Killer e Malika si intrecciano in una storia iniziata dieci anni prima, su binari paralleli. Killer, ragazzo di periferia con la passione per i libri e per le armi, cerca la propria dimensione personale e sociale frequentando il poligono di tiro del paese, dove conosce Duke, appartenente a un gruppo di ultras locale.

Malika, giovane universitaria amante dello sport, cerca in tutti i modi di sfondare nel mondo della musica, la sua vera passione, e riesce ad agganciare la persona giusta grazie a una vecchia fotografia di una vacanza estiva.

Entrambi vedono il proprio entusiasmo di vita bruscamente interrotto da un evento non previsto, che porta Killer in prigione e Malika in coma.

A distanza di dieci anni, Killer e Malika devono ricominciare da zero, partendo unicamente da se stessi, in una missione di crescita personale e realizzazione sociale che ai loro occhi può sembrare impossibile - come la ricerca di un diesis fra il MI e il FA.

In un'anonima filiale bancaria, dove lavora anche Peter, vecchio compagno di cella di Killer che non ha perso i contatti con la malavita, le storie di Killer e Malika si incrociano; l'opportunità di rinascere, prendendo finalmente in mano le redini delle proprie vite grazie a un crimine organizzato dallo stesso Peter, può portare a inaspettate evoluzioni delle dinamiche relazionali fra i protagonisti, dalle conseguenze potenzialmente estreme.

Ma qualcuno, a volte, riesce a trovare il diesis fra il MI e il FA.
