## **35 muertos (Spanish Edition)** Sergio Álvarez Guarin

Escrita con elementos de novela histórica, relato de aventuras, autoficción, thriller y hasta folletín romántico, 35 muertos recrea apartir de las desventuras de un perdedor, y las decenas de personajes que se cruzan en su camino, la Colombia de finales del siglo XX. Revolucionarios sin revolución, guerrilleros machistas, pandilleros despachados, paramilitares cansados de tanta masacre, traquetos engañados por sus mujeres, exiliados en tierras europeas, desaparecidos y gente feliz y siempre en fiesta pueblan este libro donde encada párrafo hierven juntas la vida y la tragedia. Una novela con lenguaje deslumbrante que sin duda será una obra de referencia de la nueva literatura latinoamericana.
