## **Common Sense Guide to Environmental Management (Common Sense Guides to Health and Safety)**

Subash Ludhra

An essential and short guide for those who need to know more about environmental management in the workplace without wanting to spend hours reading dozens of different documents. Whether it's for use alongside a training course or simply to brush up on your knowledge, it's perfect for equipping you with the principles of environmental management.

Friendly and accessible, this *Common Sense Guide* covers all the main aspects of environmental management in manageable chapters to provide you with the knowledge and understanding you need to look after the environment and those around you.

- Suitable for those with little understanding of environmental management
- Includes questions at the end of each module to consolidate your environmental management knowledge
- Certificate offered to those who complete the exam at the end of the book and return to be marked externally.
