**THE LAST SHOT**

Cabot Cove is being invaded—by Hollywood. One of Jessica's older novels is being adapted into a big-budget movie. The producer has decided to shoot on location, since the book was loosely based on a murder that shocked Cabot Cove several years earlier.

Unfortunately, everyone on the set seems to have a hidden agenda. A novice director wants his shot at the big time. The lead actress has many unreasonable demands. Her astrologer sees trouble in the stars. And a stranger on the movie lot is stalking Jessica.

When a body is found on the set, a strip of celluloid film wrapped around its neck, there's a cast and crew of possible suspects. With tensions between locals and the Hollywood horde mounting, Jessica must find the killer before anyone else is left on the cutting room floor.
