## The Seat of the Soul Gary Zukav

*The Seat of the Soul* is about the birth of a new species -- and the explosion of human perception past the five senses. It is about the values of the soul -- harmony, cooperation, sharing, and reverence for Life. It is about authentic power -- the alignment of the personality with the soul. It is about nonphysical guides and Teachers.

*The Seat of the Soul* is written for the largest, fastest-growing market the world has ever seen or ever will see. That is because the new species is being born inside of us. *The Seat of the Soul* is about this birth, what it means, and how to participate in it wisely.
