Dante Walker Series (3 Book Series) Victoria Scott

From Book 1:

Dante Walker is flippin' awesome, and he knows it. His good looks, killer charm, and stellar confidence has made him one of Hell's best — a soul collector. His job is simple, weed through humanity and label those round rears with a big red good or bad stamp. Old Saint Nick gets the good guys, and he gets the fun ones. Bag-and-tag. Sealing souls is nothing personal. Dante's an equal opportunity collector and doesn't want it any other way. But he'll have to adjust, because Boss Man has given him a new assignment: Collect Charlie Cooper's soul within 10 days. Dante doesn't know why Boss Man wants Charlie, nor does he care. This assignment means only one thing to him, and that's a permanent ticket out of Hell. But after Dante meets the quirky, Nerd Alert chick he's come to collect—he realizes this assignment will test his abilities as a collector, and uncover emotions long ago buried.
