**A Student Handbook of Latin and English Grammar** Peter L. Corrigan, Robert Mondì

The study of classical languages by earlier generations of English-speaking students was greatly facilitated by the study of English grammar in the schools, a tradition now out of favor but one that emphasized precisely the concepts, terms, and constructions needed for the study of Greek and Latin.

*A Student Handbook of Latin and English Grammar* offers a student-friendly comparative exposition of English and Latin grammatical principles that will prove a valuable supplement to a wide range of beginning Latin textbooks as well as a handy reference for those continuing on to upper-level courses.
