Download the report - in full or by individual chapters - here

The annual **British Social Attitudes** survey is carried out by Britain's largest independent social research organisation, the **National Centre for Social Research**. It provides an indispensable guide to political and social issues in contemporary Britain.

This **26th Report** summarises and interprets data from the most recent nationwide survey, as well as drawing invaluable comparisons with the findings of previous years to provide a richer picture and deeper understanding of changing British social values.

The **British Social Attitudes** survey report is essential reading for anyone seeking a guide to the topical issues and debates of today or engaged in contemporary social and political research.
