How to lose your job and find true love...

Fed up with impossible deadlines and meaningless busywork, Anne Wyatt goes to work one day determined to resign. But that's the day her boss announces someone's getting laid off (and with a generous severance package). Now Anne has one day to ruin her career and convince her boss that someone should be her.

Anne's hysterical tactics are unwittingly undermined by Ken, the handsome graphic designer in the next cubicle, who has his own ideas for liberation from the corporate grind. In the end, Anne and Ken have to decide together what is important in life, and what they can discard without a second glance...
