## **Palabras en violeta (UP Cincomilnovecientos) (Spanish Edition) Nora Baker**

Una forma de acercar a los más chicos al valor y poder de la palabra, a la aventura de la narración. Apelando a referencias de las tradiciones narrativas más antiguas como la Biblia o los cuentos de hadas, así como las historias de total invención propia, Nora Baker Zandrino ha logrado un corpus de relatos infantiles tan divertidos como llenos de enseñanzas y valores, continuando de una manera novedosa una de las costumbres con más larga data de la humanidad. La de transmitir la sabiduría colectiva en el vehículo del relato.
