## **The Savior in Kirtland: Personal Accounts of Divine Manifestations** Karl Ricks Anderson

Karl Anderson is an expert on the Kirtland period of Church history. In this book, Anderson powerfully demonstrates that the Savior personally and visibly directed His Church and taught His Saints by showing Himself or speaking to at least twenty-five early leaders in about twenty separate visions or manifestations attested to in Kirtland. Although early Church members loved and followed Joseph Smith, they recognized that the Savior was their leader. Anderson points out that more first-person words of the Lord have gone to the world from Kirtland than from any other location in our history. He also expands the reader's understanding of the Kirtland Temple, the first latter-day House of the Lord—with the Savior's promise that He would manifest Himself to His servants there—and explores the visions, symbolism, and endowment given there.
