**The Sellout** Charles Gasparino

In the spirit of *Barbarians at the Gate* and *Liar's Poker* comes *The Sellout*, the definitive book on the recent collapse of Wall Street, one of the most dramatic and anxiety-ridden era in national socioeconomic history. In this powerful business narrative, Charles Gasparino, the author of *Blood on the Floor* and *King of the Club*, captures how avarice, arrogance, and sheer stupidity eroded Wall Street's dominance, made many of our country's most fabled financial institutions vulnerable to significant new foreign control, and profoundly weakened the financial security of millions of poor and middle-class American families.
