Creatividad: Liberando las fuerzas interiores (Spanish Edition) Osho

Como Osho señala en este libro, las personas históricamente creativas se han visto obligadas a rebelarse contra la sociedad. Pero hoy en día esta situación ha cambiado. En el mundo actual a todos se nos exige responder a los desafíos de una forma creativa: desde el más alto ejecutivo hasta el ama de casa tienen que inventar nuevas ideas para enfrentarse a los múltiples contratiempos de la vida moderna. Aquellos que solo utilizan las enseñanzas que han recibido de sus padres para lidiar con los problemas de la vida están en desventaja, tanto en sus relaciones personales como en sus carreras profesionales. Osho muestra en este libro el método para dar el giro desde las actitudes de imitación y limitadas por las reglas, a la innovación y la flexibilidad, que requieren un profundo cambio en nuestra concepción de nosotros mismos y de nuestras capacidades.

Creatividad es un manual para todos los que creen necesario ser más creativos, tener más capacidad de jugar y más flexibilidad en sus vidas. Es un manual para aprender fuera de las reglas y también para aprender a vivir con ellas.
