Dworkin y sus críticos (Spanish Edition)

Mariano C. Melero de la Torre

Dworkin y sus críticos (Spanish Edition) Mariano C. Melero de la Torre

Ronald Dworkin es una de las figuras más interesantes y controvertidas del pensamiento político y jurídico de nuestro tiempo. La relevancia de sus ideas puede comprobarse por el impacto que producen en el curso de los debates donde se insertan. En este libro se realiza una aproximación a las ideas jurídicas de Dworkin dentro del contexto en el que éstas cobran todo su significado: el debate en torno al imperio de la ley dentro del pensamiento jurídico-político contemporáneo. La presente edición se abre con un estudio preliminar que pretende acercar al lector las claves de dicho debate. A continuación, se incluye una selección de artículos de varios autores en donde se desarrollan algunas de las principales líneas de la discusión: el imperio de la ley en la historia de las ideas políticas (Judith Shklar), positivismo vs. antipositivismo (Scott Shapiro), el valor de la legalidad (David Dyzenhaus), la interpretación jurídica (Stanley Fish) y el imperativo de la integridad en la cultura jurídica de una sociedad democrática (Jeremy Waldron).
