## **Reykjavik Revisited: Steps Toward a World Free of Nuclear Weapons: Complete Report of 2007 Hoover Institution Conference (Hoover Institution Press Publication)**

Drawn from presentations made at the Hoover Institution's October 2007 conference, this collection of essays examines the practical steps necessary to address the current security challenges of nuclear weapons and to move toward the Reykjavik goal of eliminating all nuclear weapons. The distinguished group of contributors includes former officials of the past six administrations—Republican and Democratic—along with senior scholar and scientific experts on nuclear issues.
