**Social Welfare Policy and Advocacy: Advancing Social Justice through 8 Policy Sectors** provides the first framework that links micro, mezzo, and macro policy advocacy, demonstrating how each type can be used to promote social justice in health, gerontology, safety net, child welfare, education, immigrants/global, mental health, and criminal justice sectors. Author Bruce S. Jansson identifies seven core problems within each sector as well as the skills social workers need, the challenges they face, and the interventions they can use at each level of advocacy. Integrated vignettes, video clips, and robust resources underscore the text's hands-on, advocacy approach. Relevant to many Educational Policy and Accreditation Standards (EPAS) including policy practice, the book is designed for policy foundation courses.
