## **The Brooklyn Thrill-Kill Gang and the Great Comic Book Scare of the 1950s** Mariah Adin

What caused four recently bar mitzvahed middle-class youths to go on a crime spree of assault and murder in 1954? This book provides a compelling narrative retelling of the boys, their crimes, and a U.S. culture obsessed with juvenile delinquency.

- Tells a fascinating true crime story involving murder, juvenile delinquency, secret sexualities, and obscene comic books from a time in American history often portrayed as idyllic and innocent
- Provides revealing insights into the anxieties of the post-Holocaust Jewish-American community
- Supplies a new angle on the Great Comic Book Scare and the anti-comics movement
- Based on original, archival research using materials that have never been published
