The scriptures say in “Hebrews 11:1-3 “Now faith is the substance of things hoped for, the evidence of things not seen. For by it (faith) the elders obtained a good testimony. By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible”.

This faith is the currency we use to purchase things unseen. It’s the power to convert dreams into reality, It’s the telescope that connects to the eyes of God, It’s the invisible blue print that produces a visible master piece, It’s the bridge that takes us across into the promises of God, It’s that secret unseen agent that can enter the inner courts of law to represent the unrepresented, Indeed faith is the evidence of things hoped for.

Born in Uganda in a family of twenty four children being number eighteen, David grew up in a family riddled with untold poverty. It was his faith in God that through it he managed to escape that life. It was by faith that he boarded a plane to a foreign land where he acquired citizenship. It was by faith that he was supernaturally healed of diabetes. It was by faith that his sight was restored after Diabetes had damaged it.

When you read this book you will find that David has based on personal experience and scriptures to explain to us what and how this faith works.
