When your world comes crashing down around you there is only one place of safety-the Refuge. Convinced that many Christians are already experiencing tough times, Jim Bakker offers hope to believers, showing how to make it through the dark nights and difficult days ahead. Security will not be in money or materialism; it will be in Christ and His family, working to overcome the obstacles in life. Drawing upon lessons he learned the hard way, Bakker encourages Christians to gather together in one accord, to bear one another's burdens, to open our hearts to a fresh outpouring of God's supernatural presence in our midst. His call for "first-century Christianity" in the twenty-first century is radical, challenging, thoroughly biblical, and inspiring.
