The Apostle Paul was caught-up and shown things so spectacular, he wasn't even allowed to tell some of them. Phillip was transported in the Spirit from the baptism of the Ethiopian Eunuch to another city. John the Revelator was told to "come up here," so that God could show him things to come. And still today, hundreds, if not thousands, of God's people are continuing to have "caught up" experiences where God shows them marvelous revelation for the Church. Anne Elmer never saw it coming. But before she knew it, the Lord was transporting her all over the earth, in multiple experiences, to see God's people from many different groups, and in many countries-but no longer from her perspective. Transported By the Lion of Judah will cause most who read it to become motivated-some for the first time-to understand God's heart for His Church from HIS perspective.
