Verdad posible (Spanish Edition)

Eduardo Langagne

Verdad posible (Spanish Edition) Eduardo Langagne

Verdad posible es un poemario dividido en cinco partes. La primera, "Fotos en la portada" consiste en una serie de retratos imaginarios que tienen por denominador común a los iconos pop de una generación. La segunda parte, "Amigas misteriosas", elucubra un diálogo más directo del poeta con sus maestros literarios y con su formación; este diálogo se sincera paulatinamente, se asemeja a la cosmogonía y desciende por la "espiral del tiempo" a los años de infancia que abordan la tercera y la cuarta parte del libro, "Árbol, hijo, libro" y "Canción del viaje". La última parte, "Oficio", está constituida por poemas más breves donde el poeta comparte sus conclusiones y consideraciones sobre el acto de escribir.
