The Coordinator's Guide is twofold, helping the pastor (or other leader) to implement worship/sermons, and a congregational study experience. It contains worship helps for each week of the series, including sermon plans and instructions for using the video illustrations. It also includes instructions for implementing the all-congregation study, along with tips for next steps—ways to follow up after the month-long experience has ended.

Church leaders and members should all read the original *Get Their Name* book during the month of this church-wide experience.
