Jokes and the Linguistic Mind Debra Aarons

Through the lens of cognitive science, *Jokes and the Linguistic Mind* investigates jokes that play on some aspect of the structure and function of language. In so doing, Debra Aarons shows that these 'linguistic jokes' can evoke our tacit knowledge of the language we use. Analyzing hilarious examples from movies, plays and books, *Jokes and the Linguistic Mind* demonstrates that tacit linguistic knowledge must become conscious for linguistic jokes to be understood. The book examines jokes that exploit pragmatic, semantic, morphological, phonological and semantic features of language, as well as jokes that use more than one language and jokes that are about language itself. Additionally, the text explores the relationship between cryptic crossword clues and linguistic jokes in order to demonstrate the difference between tacit knowledge of language and rules of language use that are articulated for a particular purpose. With its use of jokes as data and its highly accessible explanations of complex linguistic concepts, this book is an engaging supplementary text for introductory courses in linguistics, psycholinguistics and cognitive science. It will also be of interest to scholars in translation studies, applied linguistics and philosophy of language.

We advise you for having this particular Jokes and the Linguistic Mind instantly.

Melinda Gregory:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Jokes and the Linguistic Mind can make you feel more interested to read.

Theodore Dubose:

Publication is one of source of understanding. We can add our understanding from it. Not only for students but in addition native or citizen need book to know the change information of year to be able to year. As we know those ebooks have many advantages. Beside we add our knowledge, can bring us to around the world. By book Jokes and the Linguistic Mind we can consider more advantage. Don't someone to be creative people? Being creative person must want to read a book. Just simply choose the best book that appropriate with your aim. Don't end up being doubt to change your life by this book Jokes and the Linguistic Mind. You can more attractive than now.
