## Off Mike: A Memoir of Talk Radio and Literary Life Michael Krasny

KQED Radio's Michael Krasny is one of the country's leading interviewers of literary luminaries, a maestro for educated listeners who prefer their discourse high and civil. He is a writer's interviewer.

But it didn't start out that way.

In *Off Mike*, Krasny, host of one of public radio's most popular and intellectually compelling programs, talks of his strong desire to become a novelist in the footsteps of Bellow and Philip Roth, and then discovering his real talent as a communicator—a deft ability to draw others out as an interlocutor.

In a mix of memoir and reportage, Krasny takes readers inside his world. He gives an account of the polarizing transformation of talk radio, from his early days at KGO commercial radio, through to his current role at NPR, where he manages to keep the flow of talk in his San Francisco based show animated and politically balanced.

*Forum* fans and lovers of literature will be riveted by the insightful and amusing vignettes and behind the scenes accounts. They will get a taste of the sharp commentary from his encounters with panels of experts, and interviews with cultural and political personalities as well as writers.
