## **Storie Del Lago Fucino (Italian Edition)** Antonio Insardi

In questo racconto: “Storie Del Lago Fucino”, ho cercato di riportare a nuova vita le storie dimenticate di un luogo che millenni prima era stato anche l’orgoglio della zona, quando lontano nel passato fino alla preistoria, all’ultima glaciazione che da noi occupava sia il versante nord del gruppo del Velino che il versante sud dell’Acerreta. Il racconto inizia con le prime storie del lago Fucino. E non si può parlare del lago se non si parla anche della gente che vi abitava attorno, che lo ammirava e la presenza dei Marsi e le altre popolazioni nei dintorni e tutto parallelo alle iniziative dei Romani sia quelle belliche che gli interventi sul lago e per il lago stesso.
