The Misfits are back and now they are international. Trigga, Diamond, and the crew are in London. Dame has been handled and everything should be perfect. But when a plan works too perfectly, there is bound to be some unfinished business. Secrets are exposed.

Diamond has learned the game and now she must continue to embrace a life she was not meant to live while understanding the truths of her own past.

Trigga thought he was going to be able to give his new family peace but when ghosts from the past appear in London, that peace starts to unravel the new gang. Can Trigga keep Diamond safe, and while doing so, can he really trust those who are around him if he doesn't really know them himself?

E.N.G.A was once just a motto. Now it is a way of life. Travel through the streets of London, England and meet some new misfits, as a battle royal begins and eventually takes them back to the streets of Atlanta for a final showdown.
