America's nanny offers a large dose of healthy parenting advice with secrets for raising happy, secure, and well-balanced babies and toddlers.

Babies don't come with instructions. And since today's parents are so overwhelmed with schedules and demands, they have little time to bone up on their parenting skills. Often removed from grandparents and relatives who in times past lived next door or just down the street, they have no one to guide them through the disorienting world of raising children. Enter *Nanny to the Rescue!* Michelle LaRowe, 2004 International Nanny Association "Nanny of the Year," gives her tried and true solutions to childcare. Her expertise with chapters titled "Who's the boss?" and "Discipline is not a four letter word" gives confidence to parents who need specific ideas for real day-to-day problems. A proud member of Christian Nannies, Michelle offers foundational truths sure to help encourage moms and dads.
