She waits for him in the dark, her mind and body perfect, passive, until one day, when he goes to the cellar, and she is gone . . .

In **A Demon in My View**, Ruth Rendell creates a character as frightening as he is fascinating. Mild-mannered Arthur Johnson has never known how to talk to women. And his loneliness has perverted his desire for love and respect into a carefully controlled penchant for violence. One floor below him, a scholar finishing his thesis on psychopathic personalities is about to stumble—quite literally—upon one of Arthur's many secrets. Haunting and intelligent, **A Demon in My View** shows the startling results of this chilling alchemy of two very disparate minds—one pathological and the other obsessed with pathology.
