Audition & Subtraction Amy Fellner Dominy

Best friends Tatum and Lori are used to doing everything together-including a clarinet/flute duet for District Honor Band auditions. But all that changes when Michael transfers to their middle school, and into their band. Suddenly, not only is he competition for Tatum's spot on stage, but he's stealing Lori, too. Tatum doesn't like change no matter its form: not with her good friend Aaron, who seems to believe her fib that they're secretly boyfriend and girlfriend. And not with her mom either, who, to cope with a separation from her dad, is performing in community theater, of all things!

Amy Fellner Dominy composes an equally heartwarming and hilarious story of how holding tight to the status quo can mean missing out on the future-and how often times the best way to move forward is by going solo.
