“Look for the one I am sending you...”

An unusual message is popping up in unexpected places around the world—in radio commercials, movies, TV shows, even within the pages of the *New York Times*. Believing that someone is playing an elaborate prank, FCC agent Gene Manford and FBI agent Katherine Rooney begin an investigation. But nothing in their training has prepared them for what they are about to encounter...

A contemporary novel dealing with real spiritual warfare issues, *Enoch* will take you on a mind-bending, fast-paced journey through a story of good versus evil.
