How to Research & Write a Successful PhD Kathleen McMillan, Jonathan Weyers

A practical, step-by-step guide to postgraduate study, covering the whole research process from planning to writing up and beyond.

Undertaking a large-scale original research project involves choosing an appropriate topic, planning and carrying out the research, and analysing and writing up the data and conclusions. At PhD level, these steps can be challenging for any student. Using the tried-and-tested approach, style and pedagogy of the Smarter Student series, this text delivers timely, practical, hands-on guidance based on real-life experience from students and supervisors alike.

The book guides the student through all of the key aspects of being a researcher and delivering a successful PhD thesis. It is an invaluable tutorial and reference for those entering academic life at doctoral level, providing practical guidance, examples and tips for success.
