Book #1 of The Everstone Chronicles

Inspirational Historical Romance from first person point of view.

After being unjustly expelled from the Boston Conservatory of Music, Amaryllis Brigham sees her dreams of founding a music academy in her hometown of Seattle, Washington, disappearing before her very eyes. Now, the only way to achieve her goal comes with high stakes for someone set on avoiding men as much as possible: Marry within the year to inherit the immense fortune of her estranged grandmother. Amaryllis reluctantly moves in to her aunt's Boston home and rubs shoulders with fashionable society. Despite her own misgivings, she soon finds herself quickly falling in love with the most unlikely of men--Nathan Everstone, the envy of every eligible female, whose father has haunted her dreams for the decade following her mother's tragic death. However, Nathan turns out to be much more than he seems...and everything she never knew she wanted. But just as everything Amaryllis has recently hoped for comes to fruition, it all falls apart when she finds that the real culprit who has been managing her life isn't who she thought at all.
