The Greatest Book of Inspiring Show Business Quotes (The Greatest Book of Inspiring Quotes) (Volume 3) Scott duPont, Hans Hernke

This is the third (and all NEW) book in the “Inspiring Quotes” series and is the most comprehensive book ever of Show Business quotes from people in the entertainment business! There are unique aspects of show business... the lifestyle that operates on pure faith as many entertainers have no steady income; the years of sacrifice and training that actors, athletes, and musicians put in; the writers who pen dozens of screenplays or books that go unnoticed until one finally sells, gets published or turned into a film; the lone producer who spends years trying to raise money or get a studio to produce his or her “passion” project to the screen; the extraordinary pressure on the shoulders of a seasoned actor whose name is on a television pilot where his or her future might depend on the show getting picked up; and finally the A-List film actor or director who has the enormous pressure and financial obligation to carry a film through the critical opening weekend box office. Sometimes a single phrase, sentence or paragraph can be life changing and provide the necessary energy for a break-through. This book is dedicated to every person who has dedicated their life to show business. This book (or at least a few of these powerful quotes) should inspire you to keep going and follow your dreams!
