The Handbook of Dealing with Workplace Bullying

Anne-Marie Quigg

The Handbook of Dealing with Workplace Bullying Anne-Marie Quigg

The topic of workplace bullying and abuse gained considerable public and media attention during 2013 when the scandal of events at the BBC was unveiled following an enquiry led by Dinah Rose QC. The Handbook of Dealing with Workplace Bullying, edited by Dr Anne-Marie Quigg, presents the collective wisdom and knowledge of a number of lawyers, management experts and academics from around the world. The key themes include understanding the law in each country represented and the responsibilities of individuals as well as management teams and governors in organizations. New case studies are supplied by people working with and within HR teams who have professional experience of dealing with the issue, as well as practical suggestions that are of use to managers, to people accused of bullying and also to people who find they are targets of bullying. Dr Quigg summarizes the range and scope of the contributions by the individual contributors, commenting on the research findings and professional experience that informs them. The book thus reflects the variety of options for dealing with bullying that are relevant in different parts of the world, and focuses on advice that is pertinent in real life, rather than presenting a collection of academic theories.
