Women's Lives: Researching Women's Social History 1800-1939 Jennifer Newby

Women's lives have traditionally gone unrecorded in history. But housewives, factory girls and servants all had their own distinctive voices, and, if you know where to look, there are plenty of sources to explore. Jennifer Newby's guide to women's social history between 1800 and 1939 includes essential starting points for research. A useful handbook for family historians, as well as an engaging read for social history lovers, each chapter focuses on a different group, with suggestions for further reading and a helpful timeline. Compare the lives of factory workers, middle-class women, domestic servants, criminals, aristocrats and agricultural laborers. Hear the voices of obscure women alongside those of celebrities – from rebellious servant Hannah Cullwick to daring aristocrat, Lady Colin Campbell, prostitute Ellen Reece, and bored middle-class daughter, Katherine Chorley. If you want to trace female ancestors or simply discover more about how women lived in the past, then this book is ideal to help you get started with your own research.

From reader reviews:

Carmine Adams:

What do you ponder on book? It is just for students as they are still students or this for all people in the world, exactly what the best subject for that? Only you can be answered for that query above. Every person has different personality and hobby per other. Don't to be obligated someone or something that they don't desire do that. You must know how great and also important the book Women's Lives: Researching Women's Social History 1800-1939. All type of book is it possible to see on many solutions. You can look for the internet methods or other social media.

Johnna Chapin:

Information is provisions for individuals to get better life, information currently can get by anyone on everywhere. The information can be a understanding or any news even an issue. What people must be consider if those information which is inside former life are challenging be find than now could be taking seriously which one is suitable to believe or which one typically the resource are convinced. If you find the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All of those possibilities will not happen inside you if you take Women's Lives: Researching Women's Social History 1800-1939 as your daily resource information.

Laurie Riley:

Why? Because this Women's Lives: Researching Women's Social History 1800-1939 is an unordinary book that the inside of the publication waiting for you to snap that but latter it will shock you with the secret the idea inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content on the inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of rewards than the other book have got such as help improving your expertise and your critical thinking method. So , still want to delay having that book? If I had been you I will go to the reserve store hurriedly.

Albert Lightner:

Reserve is one of source of understanding. We can add our knowledge from it. Not only for students and also native or citizen will need book to know the upgrade information of year to be able to year. As we know those textbooks have many advantages. Beside we add our knowledge, also can bring us to around the world. By the book Women's Lives: Researching Women's Social History 1800-1939 we can take more advantage. Don't you to be creative people? To get creative person must want to read a book. Merely choose the best book that suitable with your aim. Don't become doubt to change your life with this book Women's Lives: Researching Women's Social History 1800-1939. You can more appealing than now.
