Can you imagine the amazing wisdom available when three of today's most admired Christian women get together to share with younger women what they've learned through the journey of their lives?

Kay Arthur (co-founder of Precept Ministries, renowned speaker and author), Emilie Barnes (founder of More Hours in My Day, speaker, and author), and Donna Otto (founder and president of Homemakers by Choice, author and speaker) are dear friends who have put together Youniquely Woman conferences and this helpful and insightful book to present what they most wish they'd known when they started their lives as wives, mothers, and women of God.

In a warm, inviting, and conversational manner, Kay, Emilie, and Donna share how to celebrate God's unique imprint on your life by:

- bringing out the best in your marriage and your children
- capturing a vision for your home
- creating a strong relationship with God
- finding balance in every area of your life
- and much more
