Bloodsworn (5 Book Series) Adina West

From Book 1:

It's open war between the Families of Power and the Tabérin. Two ancient races, witch and vampire, are locked in a deadly battle, and Kat Chanter, descendant of both warring bloodlines, is the only hope for peace ...

Kat's barely settled in Napa before she wakes to broken promises. Her grandmother Imara has left at dawn for her San Francisco headquarters, where the real decisions on coven politics are being made, and Kat wasn't invited.

Then Kat discovers the entire Napa compound is riddled with silver – making it a Tabérin no-go zone, and her grandmother the worst kind of liar.

Clearly Imara still believes the only good Tabérin is a dead one. That leaves Kat's Tabérin family – and Ben with them – in deadly danger from the coven's witch militia. And Kat's utterly powerless to warn them ...

An urban fantasy full of vampires, werewolves and shapeshifters, which is perfect for fans of Cassandra Clare's *Mortal Instruments* and Julie Kagawa's *Blood of Eden* series.

This novella-length episode is part one of five. All five episodes will also be available from February 2016 bundled as *Dark Child (Bloodsworn): Omnibus Edition*.
