Note: This short gay romance contains hot gay m/m sex scenes.

Someone hated Brice and Talon enough to burn down their houses, and had hoped to kill them in the process. But who? With so many people in the small town despising Talon for being both Chippewa and gay, the possibilities are endless.

The police don't seem to care if they find the culprits or not. Brice and Talon care—and they're not about to let someone get away with attempted murder. Somehow justice will be served.

Or is justice only a mirage if you don't fit into what the locals call normal?

*Book 5 of the Broken Series. Each book is a **short story** which can be read simply to enjoy the sex scenes, but the story itself is a **serial**, spanning six books.
