A TOWN ON THE BRINK

Nugget City was a Colorado mining town that made the transition to a ranching community. But the transition wasn't easy and it left a lot of bad blood. A range war had been brewing for a while, and greed, gossip and rage were threatening to blow the town apart. The last thing the town needed was a spark to set off the tinderbox. Everyone was afraid that was just what they got when a mysterious stranger stepped off the stage—a stranger who wore two guns. Was he the latest recruit brought in to fight the escalating war? There was only one thing everyone seemed sure of: He was a killer.
