**The next scintillating novel in this acclaimed author's delightful series featuring doggedly determined canine sleuths and their intrepid human companions.**

Settling into ranch life with her wire-haired dachshund, Baxter, former Wall Street trader Mags Rogers doesn't miss the world of investment banking—because its destructive tentacles have reached Reno, Nevada, where desperate families are squatting in foreclosed homes without water or electricity. Mags and her gregarious great-aunt Jeep Reed want to help, but they're up against corrupt officials, ruthless politicians—and a merciless murderer. After a former banker is brutally slain, Reno deputy—and Mags's unofficial significant other—Pete Meadows finds evidence of blackmail, shady real estate ventures, and other cutthroat business practices, but the killer seems to hold all the cards. Luckily, Mags and Jeep still have a few tricks up their sleeves: Baxter; Jeep's German Shepherd, King; and some other canine detectives are officially off the leash—and on the hunt.
