Charlie Hunt is a slut.

Have you ever let one word define you? Allowed one single word to shape your reality? I have.  
I'm not the girl you take home to meet your parents. I'm the opposite.  
I'm a sure thing with no strings attached, but one college jock took it too far, and for once, I'm the person  
who needs saving.

Evan Dawson is lost.

I never imagined myself back here, in my childhood home, looking after my wayward brother, but here I am.  
This isn't the life I planned for, but as soon as I set eyes on her, everything made perfect sense.  
The reason I'm here, the purpose of my existence is to be with this girl and make her see her worth.

For Charlie and Evan the journey has never been easy, but can two complete opposites become one whole?  
Or will Charlie's reputation tear them apart?
