Observer le droit: Manuel (French Edition)

Eric Balate

Observer le droit: Manuel (French Edition) Eric Balate

Depuis plus de quinze ans, l'enseignement donné au sein de l'Université de Mons a conduit à rechercher les différentes postures que l'étudiant en première année pouvait adopter à l'égard du droit en général. Il le découvre par les différents domaines où le droit est partie prenante. L'ouvrage met l'accent sur la pluralité des points de vue.

Le droit européen et les droits nationaux, et principalement le droitbelge, sont pris à titre d'exemple pour tenter de comprendre la réalité qui nous entoure, réalité qui va de la gestion des marchandises à la gestion des relations diplomatiques, en passant par le travail.

Les thèmes ne sont pas exhaustifs et l'analyse juridique qui en est faite ne l'est pas non plus. Elle se veut simplement processus d'apprentissage du droit pour la compréhension des relations humaines, économiques, sociales et culturelles.
