**Solution-Focused Treatment of Domestic Violence Offenders: Accountability for Change** Mo Yee Lee, John Sebold, Adriana Uken

Solution-Focused Treatment of Domestic Violence Offenders, describes a cutting-edge treatment approach that creates effective, positive changes in domestic violence offenders. Solution-focused therapy focuses on holding offenders accountable and responsible for building solutions, rather than emphasizing their problems and deficits. By focusing on solution-talk instead of problem-talk, clients are assisted in developing useful goals and solution behaviors that are then amplified, supported, and reinforced through a solution-building process.
