Studying for Your Midwifery Degree (Transforming Midwifery Practice Series) Siobhan Scanlan, Hilary Walker

This essential handbook helps midwifery students to make the most from their time studying. It clearly explains the core learning skills you will need right from the start of the course, such as academic writing, placement learning and understanding theoretical concepts. It also introduces more advanced skills, such as reflection, research, evidence-based practice, writing a dissertation and complex decision making. It shows why these important skills are essential for you both to succeed at university and when you are a registered midwife.

Key features

- An accessible student-friendly guide specifically written for midwifery students
- Three midwifery students are followed throughout the book to show real issues that you may face during your studies
- Activities throughout help you test and develop your own learning skills
- Each chapter is linked to relevant NMC and QAA standards, so that you can see what you are expected to know in order to pass your programme.

Series Editor

The **Transforming Midwifery Practice** series editor is Judith Jackson, Canterbury College.
