A Straightforward Guide to Producing Your Own Will: Revised Edition Philip Kingsley

For anyone, the process of producing a will and ensuring that their affairs after death are catered for is a complex task. In addition, the process of probate and administration of estates is an area which many people do not understand. This book aims to demystify the whole area of wills and probate and provide invaluable information for the reader. The book is aimed, essentially, at the person who wishes to proceed without a solicitor.
