Divine Eros: A Timeless Perspective on Homosexuality Joy E. Corey

Divine Eros draws on the latest scientific evidence, including genetics, endocrinology, and psychology, to debunk many key myths about homosexuality and offer alternatives for healing.

Following the loss of a friend who was compelled to take his life because of his father's hatred of homosexuals, author Joy E. Corey's pain inspired her to explore the topic. Combining pastoral sensitivity with academic precision, she explores alternatives to simplistic solutions that often characterize discussions of this controversial and provocative topic. Written for those struggling with their own sexuality and their family members, it offers true stories of struggle and victory, pain and healing.

“What is fresh about this perspective is its fidelity to the unchanging wisdom of the Church in a time of radical cultural and religious iconoclasm. As such this text has the potential to change thinking and inspire hope.”

Archpriest Josiah Trenham, Ph.D., *Marriage and Virginity According to St. John Chrysostom*
