Beyond 50 Shades ... Way Beyond!

FIRST EXPERIENCE is an intimate exploration of kinks and fetishes by an unlikely couple, with thoughtful and philosophical discussion by the characters, and graphic descriptions of their erotic adventures.

Sam meets Kelly, a beautiful but troubled woman half his age, leading to a 'first experience' exploring the surreal world their fantasies. Sam realizes that he desires more than a play partner. And Kelly knows that she needs more than a lover: Someone to whom she can expose her inner soul; someone whose values transcend the ordinary; someone who will fulfill her own dark fantasy world.

The Experiences series is an epic love story of erotic relationships and sexual desires. Written in a literary realism' style, the series introduces Sam in the prequel, and the blossoming of his intimate relationship with Kelly as the series progresses. Fantasies and real-world adventures coalesce to mold a unique bond between unlikely lovers. Where needs are mutually satisfied in an open, creative and trusting environment. Where physical and mental boundaries are pushed. Where the concepts of love and sex are never confused, but sometimes confusing. Where openness is required and intimacy is expected. And where fair-is-fair, regarding the punishment of transgressions.

Contemporary erotic romance: Suitable for mature readers, aged 18+ years.

Experiences: Book 2 is 111,000 word, 17 chapters, 371 print pages
