Insurrection: Citizen Challenges to Corporate Power Kevin Danaher, Jason Mark

From uncovering major retailers' links to sweatshop abuses and revealing the deception of American tobacco companies, to questioning corporations' ties to repressive dictators, shaming food processors into selling dolphin-safe tuna and demanding that businesses stop destroying old growth forests, citizens have become far more aggressive in directly challenging corporate behavior. Written by two activists who are constantly in the eye of this storm, *Insurrection* charts the growth of this dissatisfaction and gives us a glimpse of where this movement might be heading.
