**Women and Politics: Paths to Power and Political Influence** Julie Dolan, Melissa M. Deckman, Michele L. Swers

*Women and Politics: Paths to Power and Political Influence* examines the role of women in politics from the early women's movement to the female politicians in power today. Focusing on women whose stories have not yet been told, this book includes new analysis and scholarship on the experiences and viewpoints of conservative women, women of color, LGBT women, and millennial women. Students will gain historical insight into how women have achieved political power and how they have influenced the American political system at the state, local, and national levels, in each branch of government. Engaging profiles of the key players who have shaped our political system are interwoven with an analysis of the most recent election data to provide a comprehensive and unbiased introduction to the study of women and politics.
